Ken,

I haven't come across any NOV's for Service Painting, but we don't have much information in our files on the current owners. The best contact from DEP would be Ragesh Patel. He's Charlene Creamer's main contact there and is at a Section Chief level. The last number I have for him is 484-250-5719.

Lorie,

Good morning. A quick question on the Metro Site: did you come across any notices of violation for Service Painting, Inc. which is the current operator at the Site? Alternatively, is there a contact you have at PADEP that I can contact to check on this? I want to be sure there are no issues with that entity as I determine who will receive special notice letters. Service Painting is a sister company to Trainer Industries, which owns the Site property and has the PPA.

Thanks,  
Ken
